DISTINGUISHED LUXURIOUS AIR CHARTER

Elite Air Charter

Travel Management Company (TMC) charter flights are designed entirely to meet the needs of our clients by offering a customized, time efficient and relaxing experience. Travel Management Company is the premier choice for your charter travel.

Flexibility and Convenience

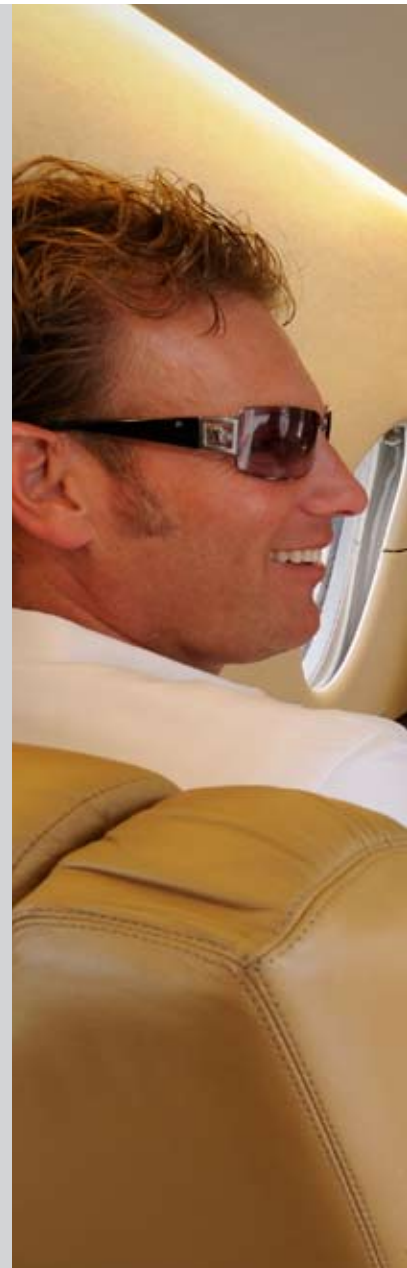

Travel Management Company operates on your schedule, allowing considerable flexibility even for last minute schedule changes. TMC has the ability to utilize over 5,500 airports in the United States, Canada, the Caribbean and Mexico. This positions the client closer to the intended destination and drastically reduces drive time.

We Handle all the Arrangements.

We are dedicated to serving your needs and providing additional services. TMC concierge services are available to fulfill all your special needs.

Pilot Training and Certification

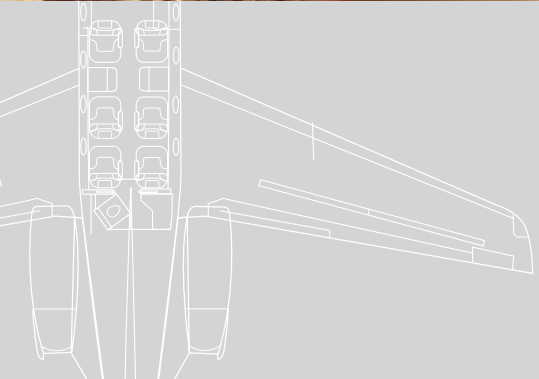

You can fly comfortably knowing all TMC pilots are type rated in their respective aircraft and our captains average over 8,000 flight hours. Our pilots are Flight Safety International trained and tested every six months. TMC maintains at minimum a ARG/US Gold Rating.

Peace of Mind.

Your safety is our top priority when you charter with Travel Management Company. Our aircraft are meticulously maintained and operated under strict FAA guidelines and standards. Our fleet maintains a flawless safety record.

Safety

Executive Advantage

We live in a world where time is limited and wasted by inefficiencies. What if you could control time? What would happen if you could make an eight-hour business trip fit into four? With TMC, you fly when you want without the hassle of memberships, putting your money and time to maximum use.

Positioned for Privacy

TMC has aircraft positioned in nearly every major market in the United States giving the client excellent round trip and one-way pricing. With TMC, you skip the hassle of large terminals, baggage handling, airport security lines, delayed departures and arrivals. Overcrowded airlines will be a thing of the past as you spend private, quality time with family, friends or business associates.

First-Class Luxury

Whether it is a last minute business trip, or an exciting weekend getaway to the Virgin Islands, our aircraft are available "on-demand." The majority of our aircraft are equipped with flight phones, flight display and entertainment systems, providing you the luxury of being connected with the rest of the world while traveling. Your comfort and safety are our top priority.

No Owner Approval

We own and operate our entire fleet, giving us the distinct capability to meet all your travel needs and requirements. Eighty percent of our aircraft are 2006 or newer models. TMC maintains one of the largest fleets of the Hawker 400XP's in the country. We do not have any long-term commitments, jet cards, or membership dues.

Reliability

With TMC's extensive fleet of luxurious aircraft, state of the art scheduling and dispatch, experienced sales staff and exceptional management team, you will consistently receive superior service. Our aviation specialists are available 24/7/365 days to meet your air travel needs.

We are dedicated to providing you with phenomenal service throughout your entire experience with Travel Management Company. We invite you to experience the difference in TMC services.
